### LEGISLATIVE COUNSEL'S DIGEST

AB 50, as amended, Koretz. .50 Caliber BMG rifles.

Existing law makes it an offense for any person to commit an assault upon the person of another with a machinegun or an assault weapon. Existing law also makes it an offense for any person to commit an assault upon the person of a peace officer or firefighter, as specified, with a machinegun or assault weapon.

This bill would expand each of these offenses to include an assault with a .50 BMG rifle, as defined.

By expanding the scope of existing crimes, this bill would impose a state-mandated local program.

Existing law establishes the Prohibited Armed Persons File database that tracks possession or ownership of firearms and assault weapons, as specified.

This bill would include tracking the possession and ownership of .50 BMG rifles in the database, as specified.

~~Existing law makes it an offense, subject to certain exceptions, for any person to manufacture or cause to be manufactured, import into this state, keep for sale, offer or expose for sale, give, lend, or possess a variety of specified dangerous weapons and items.~~

~~This bill would, subject to certain exceptions, extend those provisions to include any .50 BMG cartridge, as defined.~~

~~By expanding the scope of an existing offense, this bill would impose a state-mandated local program.~~

~~Existing law authorizes the Department of Justice to issue permits for the possession, transportation, or sale between a licensed firearms dealer and an out-of-state client of large-capacity magazines.~~

~~This bill would extend those provisions to include .50 BMG cartridges, as defined.~~

Existing law defines “assault weapon” for purposes of regulation.

This bill would define “.50 BMG rifle” and “.50 BMG cartridge” for purposes of regulation.

Existing law makes it an offense, subject to certain exceptions, for any person to manufacture or cause to be manufactured, import into this state, transport, distribute, keep for sale, offer or expose for sale, give, lend, or possess an assault weapon, as specified, and provides a sentence enhancement for anyone who transfers, lends, sells, or gives an assault weapon to a minor, as specified.

This bill would extend those provisions to include a .50 BMG rifle.

By expanding the scope of existing crimes and sentence enhancements, this bill would impose a state-mandated local program.

Existing law provides a scheme for registration and issuance of permits in connection with assault weapons.

This bill would establish similar provisions for the registration and issuance of permits in connection with .50 BMG rifles. This bill would authorize the Department of Justice to charge a registration fee not exceeding \$25 for the registration of a .50 BMG rifle, as specified.

Existing law forbids the broadcast over police radio of information that an individual has registered, or has a permit to possess, an assault weapon, with specified exceptions.

This bill would expand those provisions to cover individuals who register or have permits to possess .50 BMG rifles.

Existing law provides that persons may arrange to relinquish an assault weapon to a police or sheriff's department.

This bill would similarly permit persons to arrange to relinquish a .50 BMG rifle to a police or sheriff's department.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

14 12275.5. (a) The Legislature hereby finds and declares that  
15 the proliferation and use of assault weapons poses a threat to the  
16 health, safety, and security of all citizens of this state. The  
17 Legislature has restricted the assault weapons specified in Section  
18 12276 based upon finding that each firearm has such a high rate  
19 of fire and capacity for firepower that its function as a legitimate  
20 sports or recreational firearm is substantially outweighed by the  
21 danger that it can be used to kill and injure human beings. It is the  
22 intent of the Legislature in enacting this chapter to place  
23 restrictions on the use of assault weapons and to establish a  
24 registration and permit procedure for their lawful sale and  
25 possession. It is not, however, the intent of the Legislature by this  
26 chapter to place restrictions on the use of those weapons which are  
27 primarily designed and intended for hunting, target practice, or  
28 other legitimate sports or recreational activities.

29 (b) The Legislature hereby finds and declares that the  
30 proliferation and use of .50 BMG rifles, as defined in Section  
31 12278, poses a clear and present terrorist threat to the health,  
32 safety, and security of all residents of, and visitors to, this state,  
33 based upon findings that those firearms have such a high capacity  
34 for long distance and highly destructive firepower that they pose  
35 an unacceptable risk to the death and serious injury of human  
36 beings, destruction or serious damage of vital public and private  
37 buildings, civilian, police and military vehicles, power generation  
38 and transmission facilities, petrochemical production and storage  
39 facilities, and transportation infrastructure. It is the intent of the  
40 Legislature in enacting this chapter to place restrictions on the use

1 of these rifles and to establish a registration and permit procedure  
2 for their lawful sale and possession.
